Indy 500 Driver Sarah Fisher Endorses Senator Clinton for President

INDIANAPOLIS, IN – Hoosiers for Hillary today, opening day of practice for the 92nd Indianapolis 500, announced the endorsement of groundbreaking IndyCar Series driver and team owner, Sarah Fisher.

"We need a president who will stand up for us and be a fighter for Hoosiers and all Americans," said Fisher, who will attempt to qualify for her seventh Indianapolis 500 this May 2008. "Senator Clinton will be a president who steers our country in the right direction and puts our economy back on track. Something Senator Clinton and I have in common is our commitment to achieving our goals, leaving roadblocks behind, refusing to be knocked down. Senator Clinton is a doer and a fighter who keeps getting out there, going for the checkered flag."

Fisher, 27, of Indianapolis, has competed in six Indianapolis 500s. She is the first woman to earn a pole position at an IndyCar Series event. Fisher is also the youngest woman ever to compete in the Indianapolis 500 at age 19 and the fastest female to qualify for the world's greatest race, with a four-lap average of 229.439 mph in 2003. She is the first female owner/driver of an IndyCar Series team and will compete in her next Indianapolis 500 on May 25.

"I'm honored to have Sarah's support. Not only has she broken down barriers in her sport, but she continues to be a role model for young people aspiring to realize their dreams," Senator Clinton said. "Trailblazers like Sarah prove that with hard work and determination, anything is possible in our country."

Fisher will debut her new team, Sarah Fisher Racing, on Tuesday, May 6, 2008 at 12:00 p.m., when she begins practice for the Indianapolis 500.

The 2008 Indianapolis 500 is set for May 25, 2008, at the famed Indianapolis Motor Speedway for the 92nd running of the "Greatest Spectacle in Racing." The hallmark IndyCar Series event will be featured through worldwide comprehensive coverage through ABC/ESPN in HD with additional coverage available on the IMS Radio Network and XM Satellite Radio. Broadcast coverage summaries will be available at www.indycar.com and www.brickyard.com.
